	Practical Information
Accommodation	<i>If student would like to be accommodated in a dorm, he/she should think about booking it 2 or even 3 months before arrival due to a small number of available rooms comparing to interested students. Aprox 200-250 euro</i>
Expenses	350+accom.= 600 euro
Health insurance requirements	Copy of EHIC

Additional Information:

Student will get help from ESN WSB Poznań in case of problems with finding or communicating with dorm administrators, landlords as well as they will be picked up from the place of arrival. Each semester ESN provides students with Orientation Week, couple days before the semester starts, so we recommend you plan arrival 1 or 2 weeks before the official start of the semester. Also during the semester they organize lots of activities. Each student will get their own mentor/buddy.
